

Go Behind the Scenes!

Reptile Keeper Workshop

July 20 • September 7
10 am - 12 pm

This course covers the ins and outs of care for 40+ species of reptiles and amphibians at our Wildlife Center, with opportunities to feed, handle and interact with our animal collection. Time will also be spent outdoors learning about the native species of the area.

Material is designed specifically for kids ages 9-14.*

*Note: 1 non-paying adult (18+) must accompany for every 3 children.

\$28/child (ages 9-14)
(limited space available)
