

ASCENT PACKAGE

Elevated Obstacles

Flying V - 2 Ziplines

Farm Animals

Sling Shots

Pedal Carts

Wildlife Center

Climbing Tower

Instructions

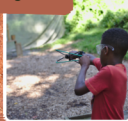

You will need to receive your wristband before participating in any activities. The wristband shows your scheduled time on the Flying V (Ascent ONLY) and Elevated Obstacle Course and you must go to that activity AT THAT TIME.

(Please be 10 minutes early).

The rest of your session is self-guided free time where you will have unlimited access to the other activities highlighted within the packages. Note: These activities are only available during your scheduled session. Avoid wait times by going to an activity that does not have a long line. Hiking trails and the playground are at your disposal at this time. Have fun!
