

Retreat Planner's Checklist

The Count Down: 12 Weeks

We are excited to host your upcoming event!

My name is Suzanne, and I will be your primary contact for planning your event. To get started, we've created this Retreat Planner's Checklist which gives you a timeline of everything we will need to receive from you for this event. **This document will be your friend. :)**

You will also be receiving an email from me each week which will follow the same timeline in this document. The goal is to give you bit-sized pieces of information so that planning this event is not overwhelming. Feel free to work ahead though if you like. 😊

Let me know if you have any questions along the way.

I'm looking forward to working with you!

Retreat Planner's Checklist

The Count Down: 11 Weeks- Book Activities!

Right now, we are 11 weeks before your event! Woo-hoo! At this time Refreshing Mountain needs to know if you would like to book any adventure activities.

As an overnight event your schedule gets priority over our day events but, this means that you need to let us know NOW if you would like to book something. You have the next 2 weeks to let us know. To help you with this decision, we offer a 25% discount toward our hourly activity rates. This discount is available for the next 2 weeks. After 2 weeks, the 25% discount is removed and you will not have prioritized scheduling.

(Note: You might be thinking, "How can I decide which activity to add if I do not even have people registered for the retreat?!" We understand and we are even ok with you canceling these activities up until 4 weeks before with no penalties. We just know that the demand for our activities are extremely high and so if you do not add something now you will not have the opportunity to add something closer to the event).

Here are important documents that you will need:

- [Electronic Activity Release Waiver Form](#). You should have received a link from us that you can share with your guests via email so that they can sign electronically. These forms are only required if you sign up for any of Refreshing Mountain's activities. If you prefer to sign paper copies of this form, you can find that [here](#).

The Count Down: 8 Weeks

This week is our social media focus and time to get people excited about your upcoming event!

We've already created the videos for you to share and pictures, pictures, pictures. 😊 We encourage you to share these often as it will help generate excitement for the retreat and encourage people to register.

- View our [Social Sharing Page here.](#)
- View our [Facebook](#), [Instagram](#) or [Twitter](#).

Fun Fact! Did you know that Refreshing Mountain is family owned and was started by Marlin and Sharon Harnish in 1983? We've created some videos to share their story and it's amazing to hear what God did (and is still doing). [Here is Part 1](#) of the story.

Enjoy!

Retreat Planner's Checklist

The Count Down: 7 Weeks

Now it is time to take care of some paperwork. While not very exciting, it is important and could help you save some money on the event.

1. **Submit your Sales Tax Exemption Number:** If you are a registered non-profit in the U.S then you can likely qualify for Sales Tax Exemption. [Here is the form](#) that we will need you to fill out and return to us. Please fill in line #4 as well as the box at the bottom of page 1. Please email this back to me.
2. **Submit Certificate of Liability Insurance:** You will need to contact your organization's insurance provider and ask them for a copy of this. (This is not something you need to collect from each individual guest, but from your organization's insurance provider). Refreshing Mountain does not need to be listed as 'additionally insured' on your policy, we just ask to be listed as a 'certificate holder'.
 - a. Your insurance provider will likely need our mailing address. If asked, they can email to me suzanne@refreshingmountain.com and our mailing address is Refreshing Mountain Camp, 455 Camp Rd. Stevens, PA 17578.
 - b. If your event is not being sponsored by an organization (i.e. church, school, business) and/or does not have general liability insurance, then let us know. We have a secondary option. However, if you go with this secondary option, then you should know that you will not be able to rent a golf cart from Refreshing Mountain (if wanted). Let us know if you have any questions on this.

Looking forward to having you here!

All the best!

And we're down to 6 weeks before your event!

Now is the time to begin fine-tuning your schedule and to email us a copy. You should have received your mealtimes from me (Suzanne) by this point so that you can put together a preliminary schedule. (If you have not received your assigned mealtimes, please reach out to suzanne@refreshingmountain.com).

- [Please review our FAQ sheet](#). This will answer questions about arrival, checkout, pool times, gym times, and how to go about booking them.
- Please also review our [Meeting Room Etiquette](#) information.

If you have any questions along the way, we are help. You can email suzanne@refreshingmountain.com or call 717-738-1490 x. 124.

Retreat Planner's Checklist

The Count Down: 5 Weeks

It's getting real everyone. We're only 5 weeks away from an amazing experience of connecting you with God and others. Now is the time to talk about one of the most important aspects of any retreat. The food. 😊

1. Here is a link to our [Menu Request form](#). This is optional however, if your entire group has certain foods that they cannot eat, we would like to know what those are. We cannot guarantee that we can honor all requests made however, we will consider your requests as we plan the menu for your event and do what we can.
2. Food Allergies: If you have any guests with food allergies, please share our Current Menu with them.  [Current Menu](#). This will show what we are serving guests who are on site right now! This document will also be updated about 7 days before your event to show YOUR menu! 😊

All the best!

Retreat Planner's Checklist

The Count Down: 4 Weeks

This week is really simple. If you have booked any adventure activities with Refreshing Mountain now is the time to fine-tune them (if needed). Whatever you keep booked with us after 4 weeks is written in stone 😊 (so to speak) with no changes allowed (other than for inclement weather).

If you realize that you need more hours or less hours of any of the activities you have booked, now is the time to give us an update and make changes. If we do not hear from you then we will assume that everything stays as currently planned.

1. **Please review the attached Group Retreat Summary** to see everything that we have reserved for you.
2. Electronic Activity Release Waiver Form. You should have received a link from us that you can share with your guests via email so that they can sign electronically. If you have not received that link, please let us know and we'll resend it to you. Anyone ages 18+ must sign this form and anyone under 18 years old will need a parent to sign for them. These forms are only required if you sign up for any of Refreshing Mountain's activities. If you prefer to sign paper copies of this form, you can find that [here](#).
3. Please also let us know if you would like to [rent Audio/Visual](#) from us for your Meeting Room. (These rates are a FLAT RATE for your whole event/not per day).
4. Please also review our [Meeting Room Etiquette page](#).

All the best!

Retreat Planner's Checklist

The Count Down: 3 Weeks

These next 3 weeks will be full of opportunities to serve. Your guests will have many requests and needs and probably require some extra patience from you. Just breathe. :) Remember why and who you do this for and that we are here to help. Together, we will button up all the final details to make this a wonderful event for every guest.

1. We need you to fill out this [FINAL NUMBERS SPREADSHEET](#) and email it back to us. The deadline to submit this is by **14 days before your event** (and this is a very important deadline because it may correlate to discounts listed on your contract). See the Discounts Section of your contract for details).
 - o Note: The number you submit becomes the minimum number you are agreeing to pay for (as long as this number already meets the minimum on your contract).
 - o Note: You can add to this spreadsheet by 10-15% up until arrival but you cannot subtract from it unless due to an emergency, sickness, etc.

The Count Down: 2 Weeks

We know you're busy, so we'll keep this week simple:

- **Most Time Sensitive:** [Submit the Final Numbers Spreadsheet today!](#)
- Share the  [Current Menu](#) to guests with food allergies. This link will update about 7 days before the event.
- Review our [Did I Forget Anything Checklist](#).
- Make sure guests know where to register and park when they arrive. [Here is a printable map](#).
- When you arrive, just come to our main office and we will give you your keys and a welcome packet. We'll need about 15 minutes to review everything with you and then you're set to begin checking in your guests. (It is best if you can arrive before your guests so that you can get settled in first). We will give you phone numbers of how to contact us during office hours as well as after hours in case of emergencies.

We are so looking forward to having you here!
