WHAT GAMES/CRAFTS ARE PERMITTED AT REFRESHING MOUNTAIN?

PERMITTED

We are all about having fun at camp! Here are some examples of games that we love to see happening at Refreshing Mountain. Any games that do not involve paint, glitter, confetti, slip n slides, tie-dye, soap, cleanup, etc. are welcome! (If you need multiple gallons of water, we must know in advance. It may be limited based on water table levels/rain, etc. Also if you bring water balloons, please clean up the pieces when finished and only play in areas that are not around buildings).
